Dear Parents/Carers,

This year there are going to be some exciting changes in our school. We have decided to rejuvenate our House System in line with St Julian's Comprehensive School. There will be four new house names, these will be; Caradog, Glyndwr, Hywel Dda and Llywelyn. Each house will have a specific colour, emblem, motto, a House Captain and a Vice-Captain. The children will be organised into the four houses within their class and will have many opportunities to gain points for their house. This will include points for:

- Weekly 100% attendance
- Behaviour/work ethic in class
- Interhouse tournaments
- Academic competitions
- Plus many more including annual events

Along with the changes to our house system, we have decided to change our P.E kit so that the children have t-shirts to match the colour of their house. As we are not long into the start of the year we do not expect parents to buy brand new t-shirts, so t-shirts of the correct colour with small logos will be acceptable. However during the Easter holidays there will be a P.E kit package available to order at Macey Sports, which will include a t-shirt of your child's house team colour with the Glan Usk logo, a pair of navy shorts and a P.E bag, all for £9. These items will also be available to purchase separately at the original price. We are hoping to phase the P.E kit in during the Summer Term with all of the children having the correct kit for the beginning of the next school year.

We are very excited to introduce this into school and give the children the opportunity to work as a team and feel a real sense of community and belonging. Thank you for your continued support.
